

# Carnegie Mellon

Game & Movie  
Night

Spring 2007

# Suggested Agenda?

---

- Games!!
- Order food
- This
- Tron!!
- Games?!

# Quick, any new people?

---

- Freshmen/staff/grad students?
- CS/CIT/other?
- L33t haxors? Otherwise interested parties?

# For those don't know us...

---

We are the folks who:

- Use and promote open-source/free software
  - Especially Linux, BSD, ...
- Keep the spirit of retro computing alive
  - VAXen, Alphas, Suns, VMS, 4.xBSD, ...
- Run the service side of the “contributed” concept
  - Mini-andrew environment
- Host lively discussion on computer/network architecture, security, etc.
  - “The guy who doesn't click ‘yes’”

# Our (Stated) Mission

---

*“The computer club was founded in 1899 to study binary...”*

- Encourage tinkering
- Spread appreciation for cool retro hardware
- Promote software freedom
- Host or assist interesting programming projects
- Provide useful services to campus community

# What have we been up to lately?

---

- Machine room improvements
  - Got a big fancy workbench
  - More racks
  - Some more machines
  - Lots of LCDs :)

# What have we been up to lately?

---

- Contrib services
  - Getting a lot more use:  
`www.contrib.andrew.cmu.edu` served 3TB last year
  - CGI AFS-write support actually used by a handful of people
    - (Explain what this is to those curious)

# What have we been up to lately?

---

- Wikis!!
  - We ourselves are actually documenting club stuff on our own wiki: <http://wiki.club.cc.cmu.edu>
    - If you were an active member, you could even look at our budgets and secret floor plans...
  - Wikis for organizations “almost there”
    - Any recognized officer of one can (real soon now) create one under My Contrib (<http://my.contrib.andrew.cmu.edu>)
    - Shows up at <http://wiki.contrib.andrew.cmu.edu/org/<yourname>>

# What have we been up to lately?

---

- CMU “Contributed Wiki” / “Tartan(s) Wiki”
  - A joint project with Student Senate
    - (read: money!!!)
  - A central place for CMU folk to write about the campus, PGH, stuff to do/see/eat, etc.
  - *Kind of* up already at <http://www.tartanswiki.org>
    - tartanwiki.org already taken :(
  - Getting some sweet hardware: dual dual core 64-bit Xeon 5110
  - Help bootstrap the wiki!
    - Some of you already have some indentured servitude towards this end }:-)

# What should we be up to?

---

- Other stuff?
- Suggestions?
- Stuff people think would be cool?
- More importantly, stuff people would be willing to work on?

# Finally...

---

- Tron!!
- How to find us:
  - Machine room hour
    - 6pm Saturdays in Cyert B6
    - Stop by, get a tour and an account
  - Weekly discussion meetings
    - 5:30pm Wednesdays in Cyert atrium
